2019 Ola HAWAI’I
Mentoring Bootcamp

Open to all UH Health Sciences Junior Faculty and Postdocs
Join us for any of the topics relevant to your needs and meet potential collaborators in basic, clinical or community-based research
12 sessions over 4 weeks, Tues, Wed, Fri, April 30 – May 24, 2019.
Sessions 11am-1pm or 12-2pm HST* (2pm-4pm or 3pm-5pm PST)
JABSOM MEB, Kaka’ako or via ZOOM

• Learn about mentor - mentee responsibilities and relationships
• Improve public-speaking, presentation and communication skills
• Collaborations & team science - navigating expectations and authorship
• Publishing – finding the right journal, writing, submission, revision
• Grant applications – understanding announcements, identifying contacts
• When to apply, to which, and where you should be in your career for each
• Writing the various sections, getting assistance, understanding peer review
• Applying for Promotion and Tenure, guidance in dossier preparation
• Contemporary ethical issues in biomedical research
• Conflicts of interest – personal, professional, and financial
• Research misconduct and policies for handling misconduct
• Human subjects and vertebrate animals in research

Feedback from first bootcamp, Sept 2018: “Overall, this bootcamp had a compilation of excellent topics and wonderful speakers. There is great potential for future bootcamps.” “Recommend a la carte sessions so participants can tailor to their needs.”

Please use this link to indicate the class(es) you are interested in attending.

2019 Ola HAWAI’I Mentoring Bootcamp Registration Form

Remote attendance available via ZOOM – information provided with registration.

* Session times will vary (11am-12pm or 12-2pm HST) depending on room availability. Each 2 hour session will typically cover 2 topics, or 1 topic + breakout session unless noted.

Direct any inquiries to pbullard@hawaii.edu
